

Fork Mounted Sweepers

Fork Mounted Sweeper - This accessory actually makes industrial sweeping jobs much easier to do. The handy lift truck mounted broom is designed for use with either wet or dry material clean ups. It can squeegee water and push snow with no trouble. This accessory is normally used to be able to clean garbage from parking lots, warehouses, construction sites, docks and nearly everywhere it is required. The forklift sweeper is a low maintenance accessory that make use of quick-tite blade products to effortlessly connect to the lift truck.
