Advance-Nilfisk Parts - Think about how tedious it will be to clean up your very own home after throwing a big party, without aid from cleaning machines. Back in the day, when upholstery and carpets had the dust beat out of them by hand; brushes, brooms and cleaning cloths were the leading cleaning materials during that time.

P.A. Fisker, the man who established Nilfisk-Advance, was an electrical engineer who loved working with electrical motors. Establishing the company in the year 1906, he started to make motors so as to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's vision from the beginning was to own a worldwide company selling products internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented a incredible, ground breaking vacuum cleaner which can be operated by one individual as it just weighed 17.5 kilos! This creation came in a time where numerous cleaning machines were huge and needed at least 4 operators, therefore, the Nilfisk C1 transformed everything and evolved the method we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning equipment provide a brilliant solution to an existing crisis; things get dirty and should be cleaned regularly, without a lot of effort.

Little by little, the business Nilfisk-Advance grew throughout the years. During the early nineteen eighties the business expanded more rapidly when the business became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance forward within the trade, aspiring to be an active worldwide player in producing professional cleaning equipment. Nilfisk-Advance is presently found in all parts of the world due to steadily obtaining lots of smaller companies to be able to grow their product range and presence in new markets. They are really proud to present different cleaning solutions to suit every need.
