

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than 60 years of experience effectively developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to providing new design concepts and top quality in order to meet the diverse needs of their clients.

TREK Cleaning Machines always provides fresh design concepts as proven in their product development. They enjoy providing products that energize both their dealers and their partners and offer production gains to their clients.

The team at TREK likes handling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and requirements together with their comprehension of cleaning applications, together with owners' strong desire to dramatically reduce cost through productivity gains.

The workers at TREK and their dealer-partners are really devoted to having both technical support and parts accessible when it is required. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning machines running and ready day after day is top priority. The company's top of the line technology delivers reliable machine that eventually lowers your cost of cleaning. The product, the price and the service all work as one to make them the leader in the business.
